

# One Touch Roll Container – the ideal roll cage for e-commerce logistics

The One Touch Roll Container is a distribution roll container designed primarily for the movement of both bags and trays of letter mail. It is ideal for Postal and 3PL providers but also convenience store with limited transport and storage space.

Light and space efficient-unit. Safe in transport thanks to its integrated hand brake. Unit nests efficiently and can transport stacks of 600 mm x 400 mm letter trays – 2 per layer. Packages can be transported through the Supply Chain without any need for repacking.

## Technical specifications

External dimensions 1000 x 511 x 673 mm

Internal dimensions 844 x 450 x 605 mm

Unit tare weight 23 kg

Safe working load 100 kg

Loaded units / 40' trailer 81

Nested units / 40' trailer 192

Nesting increment 125 mm

Castor size 125 mm rubber wheel

Castor type 2 fixed, 2 swivel

Finish Zinc plated and top coated

## Designed for following uses and industries:

- ✓ Inbuilt efficiency for reverse logistics
- ✓ Can be fitted with a sleeve
- ✓ Long life-span and low total cost of ownership
- ✓ Ideal for transport in smaller vans / buses
